Welcome to Huntington Hospital

Thank you for choosing Huntington Hospital for your surgery. We strive to accommodate your schedule and to perform your pre-procedure tests and evaluation in an efficient and timely manner.

Your surgeon's office staff has set up your pre-surgical appointment as listed. To minimize delays with your procedure, we ask that you make every effort to adhere to the day and time issued to you.

In order to expedite your Pre-Surgical Testing processes, a representative from the Admitting Department will call you within a few days to obtain some preliminary insurance information. Please return that call, at your earliest convenience.

If your last name begins with A-L call 631-351-2673.

If your last name begins with M-Z call 631-351-2722.

If your call is forwarded to an automatic voice message, please leave your name and a contact number.

Your Appointment

To give you the undivided attention that you deserve we have reserved the following time for your pre-procedure tests:

Day: _____

Date: _____

Time: _____

Please arrive 15 minutes earlier
in order for the Admitting Department to process your registration.

**For changes to your scheduled appointment,
please call 631-351-2598.**

For your convenience, we have FREE VALET parking, located at the front entrance of the hospital. The Pre-Surgical Testing Department is located on the ground floor of the hospital, just off the main entrance. (Directions to the hospital are on the back.)

We invite you to visit our website at
www.hunthosp.org/nursing/nursing-presurgical.html

Please bring the following to your Pre-Surgical Testing appointment:

- A current list of all your medications; including dosage and frequency.
- Any forms given to you by your surgeon.
- Your Driver's License and insurance card(s).
- The name and telephone/fax number of your primary medical physician (if your surgeon has requested you obtain a pre-surgical clearance). We will fax all results to your primary medical physician.
- List of any questions you may have:

- Do not shave the operative site for 1 week — we will "clip" the area just prior to surgery.
